## This my personal study AWS (Well-Architected Labs) steps:

## **AWS Cloud Basic**

- 1. Read the terms of Using the AWS Free Tier and the ability to control their own costs.
- 2. Register with AWS (first priority) or alternatively, you can request access to courses in AWS Academy if you are currently a student of certain University.
- 3. Find the hands-on tutorials and AWS Well-Architected Labs for your AWS needs. Explore list of step-by-step tutorials for deferent category. Use, repeat as many as you can and have fun))
